UNIVERSIDAD DE GRANADA

Red Global-ANSWER.
Trabajo Social Global y
Movilidad Humana

Workshop

In parallel with the research and fieldwork activities being carried out by the members of the Global-ANSWER network through secondments, the work program has been developed with the organization of various workshops as a space for more specific and focused exchange of experiences and reflection.

- Global-ANSWER International Launch Workshop
- The Global-ANSWER Project at the European Researchers' Night
- Inter-Learning Activity between the City Council of Granada and the University of Granada
