Movilidad Humana

Meetings

Following the meeting held in January 2023 in Madrid and in January 2024 in the Sicilian city of Palermo, Granada took over the project in January 2025 with a forum for analysis and discussion on the progress of the initiative launched with the support of the Horizon 2020 program.

This forum will bring together dozens of researchers, social workers, and NGO professionals who have been involved in the initiative from their respective organizations in Spain, Italy, and Sweden.
